

VALLEY Value Add

Final Mile | Project Management | Warehouse

Forget the limitations of traditional 3PLs.

Beyond just shipping, Valley Value Add is your **supply chain partner**.

Going above and beyond is part of our DNA at Valley Companies. **What is Valley Value Add?** When tenured talent, advanced technology, and partnership result in premium logistics solutions tailored to your needs.

Our **game-changing** approach to logistics is a result of:

- Tailored pricing with market-leading pricing strategies
- Offering a 48-state distribution footprint
- A dedicated, service-focused team providing communication at every point of your shipment
- Our regional distribution network out of our warehouses in Hudson, WI and Lenexa, KS
- Valley Value Add services taking care of your shipping needs so you can focus your attention on your business operations
- The right components to provide the best experience for you and your customers
- Having access to our WMS (Warehouse Management System) to inventory products and scan orders in and out
- Going the Final Mile to create a true partnership and our dedicated middle mile fleet, backed by Valley assets, partner networks and warehouses
- An unmatched company culture living our **FACTS** core values daily
